

# SAVE WHEN YOU RECYCLE

Save 50 cents when you recycle your compact fluorescent bulbs (CFL). Use the coupons provided below. Remember - one coupon per bulb. If you need more, photocopies are allowed, or contact MLEC.

CFLs can provide you with your lighting needs, use less energy and last longer. When you are ready to replace spent fluorescent bulbs, don't dispose of them with your household trash. Fluorescent bulbs and high intensity discharge (HID) lamps contain a small amount of mercury, and Minnesota law requires special handling of their disposal.

Each CFL contains approximately five milligrams of mercury, enough to cover the tip of a pen. In Minnesota it is illegal to place fluorescent and high-intensity discharge lamps in the garbage. Please recycle your bulbs at the nearest drop off site, or bring them into MLEC. Only CFLs will be accepted. *Call Chris or Jeff at 218-429-0432 or 888-433-4279 for more information.*

## REDEEM YOUR COUPONS AT THESE PARTICIPATING RETAILERS:

Aitkin

Hyytinen Hardware Hank  
312 Second Street NE  
218-927-3117

Deerwood

Deerwood True Value  
23682 Front Street  
218-534-3162

Emily

Emily Ace Hardware  
39959 State Highway 6  
218-763-2691

Isle

Isle Building Supply, Inc.  
385 Third Avenue South
