

Long Distance

With Personal Customer Service you deserve

- Easy to Use - No added #s to dial
- Combined billing with other MLEC services
- 4.9¢/minute, State-to-State; 12.9¢/minute in MN—All Day, Every Day
- 18 second minimum billing, then 6 second incremental billing
- 800 numbers available (transfer or new)
- Calling Cards available

Yes, I would like Long Distance Telephone Service from Mille Lacs Energy Cooperative (MLEC).

You may switch these phone numbers:

Name _____

Address _____

City, State, Zip _____

Date _____ MLEC Acct. # _____

Signature _____

(must be signed to be accepted)

Contact phone number _____

I would like: 800 number _____ Number of Calling Cards _____

I hereby authorize Mille Lacs Energy Cooperative (MLEC)/Lambeau Telecom to act on my behalf with regard to IntraLATA and InterLATA long distance telephone service. I have the authority to switch long distance service on the number(s) listed here and my signature authorizes MLEC/Lambeau Telecom to switch my long distance carrier for both IntraLATA and InterLATA to Lambeau Telecom or its designator. I understand that a one-time charge from my Local Phone Company may apply. This letter of authorization also allows MLEC/Lambeau Telecom to obtain copies of my network and equipment records. An MLEC handling fee of \$2.45/mo. is applied to accounts. Lambeau Telecom charges a cost recovery charge of 95¢/mo. per account. I understand being an MLEC seasonal customer is no longer an option. I will begin paying my electric bill monthly. Acceptable credit history will be determined by existing MLEC accounts. If not an existing customer, I understand that copies showing payment of my last two monthly phone bills or a deposit will be required.

Just fill in and return by mail or in person to:

Mille Lacs Energy Cooperative

PO Box 230

Aitkin MN 56431
